Learns Brother Is Killed in Korea

Mrs. Alfred Pearson, Seymour and Garden street, New Lenox, received a telegram Tuesday from the war department notifying her that her brother, Pfc. Gerald Haerr, 21, First Division, Marine Corps, was killed in action on Bunker Hill, Korea, October 7.

The body will arrive Friday and will lie in state at the Brunn's Funeral Home in Oak Lawn. Funeral services will be held at the funeral home at 2 p.m. Saturday. Rev. Ralph Miller of the New Lenox Methodist church will officiate.

Burial will be at the Fairmont Cemetery in Willow Springs. The Veterans of Foreign Wars of Chicago Heights will conduct the burial services.

Pvt. Haerr entered the service November 15, 1951, from Crete, and was shipped overseas in May, 1952. He was wounded September 12, and upon his discharge from the hospital rejoined his unit.

Surviving him are his parents Mr. and Mrs. Carl Haerr, of Crete, and his sister, Mrs. Alfred Pearson. He attended the Joliet Township high school and had been employed by the Benjamin Harris Co. in Chicago Heights.

BUILDING PLANS PROGRESS FOR 210 HIGH SCHOOL

At the regular meeting of the Board of Education for High School District No. 210, a report was given concerning the progress of the new building. According to the schedule established by the architectural firm of Childs and Smith, the tentative plans and specifications will be completed by January 1. At this time they will be ready for the various contractors to evaluate in order for them to submit their respective bids. It is expected that these bids will be received and let during the first part of February.

During the past week the Board of Education received word from the National Production Authority that their application for the construction of the building had been approved. Along with this approval, the various controlled materials were allocated for the first three quarters of 1953.

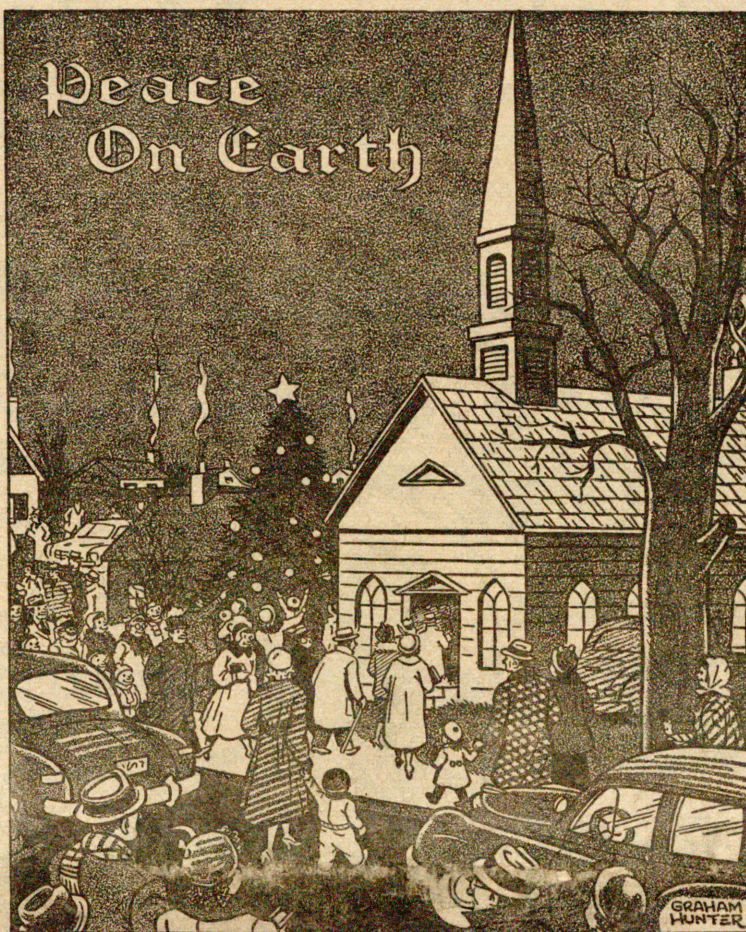

Board President Krusemark reported on a trip taken by some of the members and the superintendent on December 8, when four schools were visited in Highland Park, Wilmette and Winnetka. The purpose of this visit was to study some of the new materials now being used, advantages and disadvantages of glass blocks, various types of lighting fixtures, and some of the new class room furniture.

Superintendent Chapman read the various names that he had received, as a result of the contest which has been running for some time. More than 60 names have been received since the contest started. No decision was reached during the meeting, since three of the board members were absent. This matter was postponed until the next meeting on January 7. As a result the contest will be likewise extended until that time, and additional names will be received.

A large number of the contestants used the name of Lincoln as a basis for their choice. Since the site is located on Lincoln highway, many people have naturally thought of our former great American president.

Let Us Pray for Peace

CHRISTMAS EVE

Christmas Eve services in the church where we worshipped in childhood are always among our tenderest memories. The soft candlelight—the Christmas hymns, "Peace on Earth," "Come All Ye Faithful"—in later years we can see and hear them again.

In these days when whole nations are preaching irreligion and godlessness, it is especially important that we help our children to build up such memories for their future. Let us attend the services as families—and pray for Peace on Earth to save our civilization.

TO HOLD CHRISTMAS PARTY BY TREE ON FRONT ST. MONDAY EVE

Mokena Class of '42 Has Fine Reunion

A graduating class of the Mokena public school set up a precedent last Saturday night by having a reunion, the first time anything of the kind has been held here. The Class of 1942 held this reunion at Schrage's restaurant, 150th street and Wolf road. The entire class, with husbands and wives acquired since graduation day, were present, with the exception of three, who were: Richard Needham, who is serving in Korea, Virginia Calder, who now lives in California, and James Eich, who lives in Joliet.

A delicious chicken and beef dinner was served at tables decorated with snow men and Santas. Each guest wore a printed identification card. These cards showed a high school boy and girl in cap and gown and carrying a diploma, and provided a space for the name of the graduate or spouse.

This delightful affair had been planned by Mrs. Pat Bernard, Mrs. Donna Bueschel, Present were Mr. and Mrs. George Bernard, Mr. and Mrs. Andrew Bueschel, Jr., Mr. and Mrs. Roy Ebert, Mr. and Mrs. Melvin Wittendorf, Mr. and Mrs. George Merrick, Jr., Mr. and Mrs. Frank Sizer, Jr., the Misses Lois Mancke, Clarabelle Sippel, Donna Bueschel and Marian MacNeill.

Also, Norman Olsen, Erwin Holm, and Bill Steen from Mokena, and Mr. and Mrs. Whitney Carter, Jr. and Mr. and Mrs. Richard Bogda of Blue Island, and their teacher and husband, Mr. and Mrs. Albert Cappel.

Mrs. Cappel was presented with a corsage. Following the dinner, Donna Bueschel read the class will which she wrote at the time of her graduation. Mrs. Cappel spoke reminiscingly, mentioning each member of the class.

This was an especially enjoyable evening, and was the first time the group had gotten together as a whole since graduation day. It was such an enjoyable occasion that each one agreed to make it an annual affair.

HOODLUMS BREAK CABLES ON MOKENA'S CHRISTMAS TREE

Mokena Liteweights Lose to New Lenox: Heavyweights Win

Basketball spirit was at a high pitch last Monday night when the Green and White of Mokena grade school met the Blue and Gold of New Lenox on the New Lenox floor. It was the first game for Mokena and they proved that the fighting spirit of the past was again present last Monday night.

The Lightweights, after a very jittery first quarter, held New Lenox Lightweights to only four points in the following three quarters. However the speed of the New Lenox Light's in the first quarter proved too much and they rolled up a 18-3 score against Mokena. Roger Swart scored the only points for Mokena.

The Heavyweights took an early lead and continued to hold it, defeating New Lenox Heavyweights 30-27. In the fourth quarter with excellent offensive play, New Lenox almost tied the score, but after some confused defense on the part of Mokena they rallied to hold New Lenox in check.

Ronald Knakmuhs scored 19 points, John Duer scored 8 points and Bill Noble 3 points. The next game was December 17 at Frankfort. The first home game at Mokena will be December 23 at 7:00 p.m. against Braidwood.

Line-up, Lights: Kenneth Olsendorf, Roger Swart, Donald Lehmann, Lee Yunker, Douglas Porick, Stanley Parnett, Henry Barnett, Bill Sayers.

Heavies: Ronald Knakmuhs, John Duer, Owen Bosard, Bill Noble, Richard DeForest, Delbert Yunker, John Lavezzi.

St. Peter's Womens Guild Installs New Members, Officers

The Woman's Guild of St. Peter's church Christmas party was held Thursday afternoon starting with a pot luck dinner. Candles and blue and white angels decorated the tables.

Mrs. Fred Klepper led the devotions and read "What if there were no Christmas" and "The Whole World Comes to Bethlehem." The scripture and prayer were read in unison.

Mrs. Kenneth Huesing welcomed the new members: Mrs. W. Probst, Mrs. James York, Mrs. George Tate, Mrs. Walter Zollner, Mrs. A. Hochberger, Mrs. Lloyd Bettenhausen, and Mrs. Ern T. Spannhak.

Officers installed were Mrs. Alvin Harnack, vice president; Mrs. Elmer Batson, secretary; departmental chairmen, are: Mrs. Erich Bizer, education; Mrs. Walter Harnack, spiritual life; Mrs. Clark W. Bennett, membership; Mrs. Wallace Weichbrodt, thank-offering; Mrs. Walter Pfaff, stewardship; Mrs. Albert Lemke, missionary; Mrs. Edward Warning, social service and Mrs. Robert Schweizer, citizenship.

Names of children and the aged at the Bensonville home were handed to members of the Guild to be remembered at Christmas. Games were played under the direction of Mrs. Harold Scheer, Mrs. Leo Peterson and Mrs. LeRoy Hansen. Gifts were exchanged. Gifts were also presented to honorary members.

Mrs. Walter Harnack read a Christmas Revery accompanied by Christmas carols.

Our regular Post meeting last Thursday evening was well attended. Aside from the usual routine of business one new recruit was elected to membership in the Post. A portion of our penny march fund, was by an affirmative vote, to be forwarded to the department Quartermaster toward the Illinois building at Eaton Rapids, Mich. The Eaton Rapids institution is for orphans of deceased veterans. Last Friday evening Commander Earl Moss and his staff

Monday night ten public-spirited members of the Mokena Civic Association got busy and erected a huge Christmas tree on Front street, on the railroad property across the street from the bank. The tree was anchored with extra strong cables, to which were attached white cloths to give visibility and to serve as a warning that the cables were there. As a further safeguard against injury and damage to the tree, the men roped the Christmas tree off, finishing with this work about 8 o'clock.

On arriving at the spot Tuesday morning the men were shocked to discover that all the cables had been broken by some vandal, or vandals, during the night. It was necessary to repair all the cables, and, to make doubly sure that no further damage was done through failure to see the cables, wooden horses were placed around the tree as barriers. The men were reluctant to take this measure, as the horses present an unsightly appearance and completely destroy the illusion of Christmas.

It was the opinion of all the men who had worked on this project that the breaking of the cables was deliberate and premeditated. Had an automobile inadvertently blundered into one of them, the driver would have backed out of the area. However, not one, but all the cables were broken. The white cloths that hung from the cables were visible at a distance, it is as bright as day in the area, which normally is used for parking purposes, and there was no undue tension on the cables because of wind, for it was a windless night. The only conclusion that can be reached is that this was the work of hoodlums.

When we have in our midst individuals so callous that it becomes necessary to guard a Christmas tree it is time for drastic action. And action will be taken against those who have committed this outrage, for the evidence all points to wanton, deliberate maliciousness. Every effort will be made to trace down the person or persons who have been guilty of this vandal act, and appropriate penalties will be imposed.

located in the Institution of a new VFW Post to be located at Del Acres. This event was held at Saenger hall, Tinley Park. Wm. Martin Post wishes this new Post much success in every way.

We are making plans for our annual New Year's party and dance. A good band has been engaged. The public is cordially invited and we assure you a good time. Details will be made known in an advertisement in next week's issue of the News-Bulletin.

Next Saturday evening December 20, we will sponsor another game nite, with free eats and coffee.

For the first time in many years the Ladies Auxiliary and the Post will not have a Christmas party.

Due to the fact that the next regular Post meeting falls on December 25, Christmas Day, it was decided that we will not have any more meetings this month, therefore will every Post member make an attempt to be present on Thursday evening, January 6, 1953. For members who have not yet paid their 1953 dues, contact Quartermaster Marshall Muller.

The season's greetings to every one from William Martin Post, 725 Veterans of Foreign Wars, Glenn C. Peterson, publicity.

Donate \$150 to Village Players Scouts, Library

The Mokena Village Players at the December 9 meeting voted to give \$100.00 to the Girl and Boy Scouts to use for camping equipment and to give the Mokena library \$50.00 to use for maintenance of the library.

The Players decided on the play, "Family Circle" as their next production which will be presented in February. Family Circle is an amusing comedy about family life in the home of Cornelia Otis Skinner and her famous father. Cornelia is 17 at the time of the play and the life of young people in 1920 makes

an interesting play.

Try-outs for the play will be next Saturday at one P. M. in the home of Marion Owen, the director, on Route 30. Mr. Owen will be happy to have anyone interested in theatricals come to the Try-out. It is not necessary to be a member of the Players to try out for the play and new talent will be welcomed.—Mrs. Philip G. Lenz, Publicity.

Set Pin Boys Up For Yule Dinner

Mr. Dean Bright, proprietor of the Bright Lanes in New Lenox, will treat his pin boys to a fine Christmas dinner Saturday, December 20. This is the fourth year that Mr. Bright has treated his pin boys to Christmas dinner.

Bright Lanes will be closed Christmas Eve, but will open on Christmas Day at 6 p.m. for open bowling.

Jos. Ashby Jailed For Assault With A Deadly Weapon

Joseph Ashby, 49, of Circle Drive, Mokena, was arrested last Thursday night on a disorderly conduct warrant which was signed by his con-in-law, John Chromek, also of Circle Drive. He was charged with assault with a deadly weapon, after having fired a shotgun. Mrs. Jackie Chromek, Ashby's stepdaughter, was struck in the right leg by a pellet. A fight then ensued between Chromek and Ashby, in which they suffered cuts and gashes requiring stitches and hospital attention.

The trouble resulted from a family quarrel. The information was filed through States Attorney Frank H. Masters, Jr. Ashby's case will come up Monday before County Judge John Cowling. Meanwhile he is in the County jail.

Edward Holmes Estate is Opened

Heirs-at-law listed in the estate of the late Edward Holmes, who died November 4, are a son, William, RFD, Mokena, and a daughter, Edna. The estate, which was opened in probate court, Joliet, last week, amounts to \$21,500 of which \$1,500 was in personal property and the balance in real estate. The petition filed through State's Attorney Frank H. Masters, Jr., asks that the daughter be named executor.

Make Skating Rink For Palos Youth

Winter will be here, officially, in a few days, and to get the jump on it the fire department lot at Palos Heights has been banked for a skating pond. The project is being sponsored by the chamber of commerce and the fire department. The Doogan brothers, excava-

tors, Ray, John and George, donated their work so the youth of Palos and Palos Heights may enjoy one of the chief sports of Old King Winter.

As soon as the well pump is installed at the fire house the pond will be flooded depending of course, upon the state of the weather.

Illinois Peach Crop Cut Down Two-thirds by Heat

There'll probably be fewer Illinois peaches in grocery stores next year. The Illinois Fruit Growers Exchange was told this at its annual meeting in Chicago.

More peach acreage will be divided to other crops next year, it was told. This year's long drought and heat cut the state's expected peach crop by two-thirds, said Harold A. Kaeser, general manager of the Exchange.

It is an affiliated cooperative of the Illinois Agricultural Association, the nation's largest state wide Farm Bureau, which is holding its annual convention in the Sherman hotel.

Instead of the estimated 1,700,000 bushels expected at harvest time, the peach crop was cut to 500,000 bushels, Kaeser said.

Even at that, the crop was larger than last year's.

The reduced crop comes in the face of business expectations of a boom in home freezer sales for 1953.

With Illinois peaches competing with fruit from many sections of the country, Illinois growers are barely able to realize crop expenses, Kaeser added in reference to the reduced crop.

He emphasized that the quality of Illinois peaches is as high as ever. The drought only affected the quantity.

Apples also were hit by adverse weather conditions.

The fruit matured too quickly and got too soft to ship. The abnormal heat also prevented it from attaining normal size.

"Apples that were sold didn't bring a reasonable price," Kaeser reported. "The disappointing thing, though, was that we didn't get to complete the entire harvest."

He also noted that Illinois apple-growers are switching from Transparent apples to the Lodi variety, which is larger and more resistant to adverse weather conditions.

EXHIBIT WORK BY OAK FOREST PATIENTS

Friday evening, December 12, the Oak Forest Tuberculosis Hospital gave its first exhibit of work done by the patients in the Occupational Therapy Dept.

Ralph Susman, director of rehabilitation introduced the guest speakers, Dr. Turner, medical director of the T. B. hospital, Dr. Cheserow, medical director

of the infirmary and Mr. Negri, co-ordinator for the Oak Forest institutions.

Miss Mary Seward, supervisor of O. T. and her assistant Miss M. Stoychoff have accomplished a great deal in the year and a half the department has been in operation. Displays of hand tooled leather work, wood work, embroidery, knitting and art consisting of oil, pastels and pen and sketches were all done so beautifully that it was hard to realize that only a few months ago these patients who were taking part in the exhibit had never done this type of work before.

The fashion show of dresses, suits, blouses and skirts was as professional looking as any this reporter has seen. Among the attractive displays was one representing the library which is headed by Mrs. Phyllis Berg of Tinley Park. The patients are able to get any type of reading they care for as well as games, cards, stationary, puzzles and many small things to help make their stay at the hospital as pleasant as possible.

Mr. Susman has shown what understanding and a conscientious staff can accomplish with patients who have to remain in the hospital for any length of time. The occupational department plays a large part in the rehabilitation program and it is hoped that it won't be too long before there will be another exhibit such as this, which is well worth seeing.

Service Bakery won 2 games from Edelweiss Beer. High for Service, D. Tomlinson 458. High for Edelweiss L. Dumo 489.

Arthur Lauterbach, Dairy Copoerative Leader, Passes On

Arthur H. Lauterbach, general manager of the Pure Milk Association until recently, who died in St. Petersburg, Fla., at the age of 62. Mr. Lauterbach was a leading figure in the dairy cooperative movement all his life.

Dairy farmers of Chicago's four-state milk shed lose one of their outstanding leaders in the death of Arthur H. Lauterbach, 62, general manager of the Pure Milk Association, 1938 until June this year, in St. Petersburg, Fla.

Arthur H. Lauterbach has been a leading exponent of the dairy cooperative movement throughout his lifetime. A Minnesota dairy farmer himself, he helped organize the Land O' Lakes creameries and has served as chief of the Dairy Section, Agricultural Adjustment Administration, Washington, D. C., manager, Inter-State Milk Producers Association, and as president, Northeastern Dairy Conference.

Mr. Lauterbach was then named general manager of the Pure Milk Association, Chicago, and was effective in the establishment of better marketing procedure for milk and other dairy products in the Chicago area.

A staunch advocate of co-operation among co-operatives, Mr. Lauterbach served in 1938 as president of the Northeastern Dairy Conference (a federation of dairy co-operatives), and was for many years a member of the executive committee of the National Co-operative Milk Producers Federation. He was also instrumental in the organization

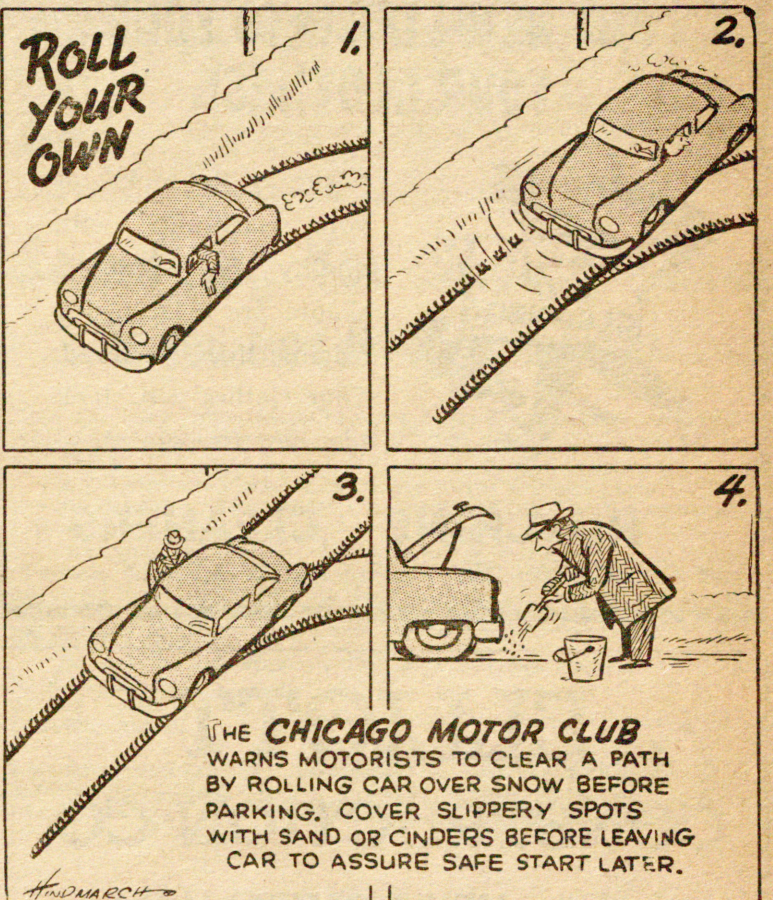

and development of American Dairy Association and was a member of its board of directors. He also served as a secretary and director of the National Dairy Council and as president of the Milk Foundation, Chicago. He is survived by his wife Emma, and a son, Allen A. Lauterbach, Chicago.

Mail Payments For Air Mail and Rail

Air mail carriers last year received \$3 1/2 million more than the railroads for carrying first class mail—although they transported less than one-fifteenth as much of it as was shipped by train.

In 1951, according to the post office department's Cost Ascertainment report, 16,492,934,239

letters and cards went out by air against 1,069,034,236 by rail. The weight by pound-miles was 235 billion by rail; 45 1/2 billion by air.

But the total post office department payment for first class mail was \$39,407,519 to the air carriers and \$35,870,973 to the railroads.

Salvation Army's League of Mercy To Cheer 25,000

Patients and inmates of Chicago area medical and detention institutions will have a brighter Christmas this year thru efforts of The Salvation Army's League of Mercy.

Having begun on Dec. 2 and continuing thru Dec. 21, members of the League will deliver holiday gifts and greetings to approximately 25,000 persons.

On the visiting list are: Municipal Tuberculosis sanitarium and its North Riverside division; the Great Lakes Naval hospital; Downey, Hines, Vaughn and Marine hospitals; Cook County hospital and its tuberculosis unit and children's building; Oak Forest hospital and infirmary; Bethany, Fridhem, Swedish Society, Covenant and Norwood Old People's homes; The Salvation Army, Catherine Booth Memorial hospital and lodge; Evanston hospital of Evanston; Laird Community House; Forty and Eight Convalescent center; Dunning State hospital; the A. J. Audy Juvenile home; the Bridewell and Cook county jail.

Members of the League of Mercy in Gary, Elgin, Aurora and St. Charles will visit hospitals, old people's homes and jails in their respective communities.

Included among the gifts are Christmas candy and chocolates, fruit, billboards, toys for children, calendars for hospital wards and jails, bantam flashlights, stationery, tote-brushes, publications and doughnuts.

A special Christmas party will be held at Vaughn-Hines hospital on Dec. 18 in cooperation with the Junior Association of Commerce and Industry.

The League of Mercy is composed principally of the wives of Salvation Army officers in the Territorial Headquarters and retired Salvation Army officers in the Chicago area.

Caterpillar Grants Wage Increase Of 9-14 Cents Per Hr.

In a combined announcement by officials of Caterpillar Tractor Co.'s Joliet plant and Lodge 251 of District Lodge 55, IAM-AFL, employees at the company were informed on December 15 that a new contract, including increases ranging from a nine to fourteen cents per hour effective January 19, 1953, was ratified yesterday by the members of the bargaining unit. In addition the contract provides for a four cent per hour general increase effective on the contract anniversary date in January, 1954, and an escalator clause to cover fluctuations in cost of living as substantiated by the Bureau of Labor Statistics Price Index.

The wage increase as well as other conditions of the contract are, of course, subject to the approval of the Wage Stabilization Board. In the event approval of the wage increase is not received from the Wage Stabilization Board by January 19, the announced increases when approved will be made retroactive to that date.

Safety Council Offers 10 "Don't's" For Holiday Season

Ten "Don't's" to avoid home tragedies during the Christmas holiday season were listed in a bulletin issued by Joseph F. Stech, Manager of the Greater Chicago Safety Council. They are:

- Don't purchase cheap, sub-standard electrical devices. They cause fires.
- Don't try to save money by purchasing cheap, foreign-made fuses, plugs and sockets.
- Don't purchase electrical gifts that are not of a standard make.
- Don't hang wires over insulating nails. Detach all strings of lights and electrical equipment when not in use.
- Don't allow children to operate electrical toys until they are instructed in their proper use.
- Don't fail to inspect all electrical cords and wiring to make sure they are not worn or damaged.
- Don't use lighted candles on Christmas trees.
- Don't allow paper from gift packages to lie around.
- Don't place tree, trimmings, or gift packages near open fireplaces.
- Don't permit children to handle electrical cords, plugs, or fixtures except under supervision.

"Most of the trouble," Stech said, "may be traced to lack of information about these hazards, and, if correctly informed, persons may easily avoid Christmas dangers."

Farm Home TV show Reaches More On Saturday Noon Spot

Since moving to the Saturday noon spot, 12:00 noon to 12:30 p. m., Farm and Home Time, the 30 minute University of Illinois College of Agriculture TV show is being received by a larger

farm audience, reports farm adviser Carl F. Mees.

The show will continue to feature specialists from the University of Illinois campus with the latest farm and home information over WBKB, Channel 4.

Teachers Receive Bulletin Outlining Responsibilities

A bulletin has been sent to rural teachers, principals, administrators and school board members from the county superintendent's office outlining policies pertaining to compulsory school attendance. In this bulletin it is stated that school officers, superintendents and teachers are responsible for the administering of our attendance laws. The Will county school office will assist and support the schools in the enforcement of our attendance regulations: the county office believes that the school should exert all legal means to keep pupils under 16 years of age in school.

Students over 16 years of age, or who reach their 16th birthday during the school year, are required by law to complete the school term. The county office will approve excuses from attending if the parent will file a sworn statement with the school, and the school will approve same, stating that the student is actually needed to help support the family, or that the student's progress in school and ability to do the work is wholly unsatisfactory.

The bulletin suggested that each boy and girl who completes his elementary school work in Will county schools should have learned some facts pertaining to the history, resources, and development of the great state of Illinois. It stated that a unit on the study of Illinois should be included in the social studies program at either the seventh or eighth grade level.

REVEAL CHURCH ABSENTEEISM

Although 99 per cent of Americans believe in God, only one out of three adult Americans attends church regularly. The first nationwide survey of church-going habits in the U.S. also reveals there are 35 million Americans who never go to church at all.

The Catholic Digest, sponsor of the poll which was made by an independent commercial opinion research firm, reports in its December issue that Americans take a casual maybe-Yes, maybe-No attitude towards their church attendance.

The survey showed that 18 per cent of those calling themselves Catholics never attend while 62 per cent attend every Sunday. Among those professing to be Protestants, those who never attend church total 32 per cent while only 25 per cent are weekly church-goers. Members of the Jewish faith show the greatest extremes. Only 12 per cent attend weekly Sabbath services and 56 per cent do not attend at all.

Church attendance, according to the poll, seems little influenced by residence in large cities. There is, however, a marked difference between the eastern and western sections of the country. The highest weekly attendance, 45 per cent, is found in the New England area. This figure is 23 per cent higher than that for the Pacific coast region. It is notable also that in the Pacific section 50 per cent of adults never attend any church services.

Young people between the ages of 18 and 24 go to church more often than older people. In relation to the sexes, 33 per cent of women but only 29 per cent of the men go to church each Sunday. About five out of ten men go to church twice a month or better while six out of ten women are in this group.

The survey cut across racial and religious lines to examine the beliefs and practices of Catholics, Protestants, Jews, other sects and those professing no religious beliefs. The questionnaire and polling techniques, four months in preparation, were reviewed and approved by Dr. George Gallup of the Gallup Poll.

STARTED SOMETHING—

Mrs. J. M. Shaw of Cleveland, O., above, decided city women needed help in whistling for taxis on the street. She talked a Cleveland cab company into giving away whistles to their women customers. They've already given away the first 100,000. Mrs. Shaw shows her son, Kelly, how the whistle works

Urge Law Hitting At Butchers Wh o Menace Health

(CNe)—The city council health committee Monday recommended that the state legislature pass laws outlawing the use and sale of meat from animals which have died naturally or from disease.

The committee acted on a resolution introduced at the meeting of the council December 2. Alderman Cilella said "recent investigations have revealed that hamburgers and sausages are being produced outside the city with meat" from such animals.

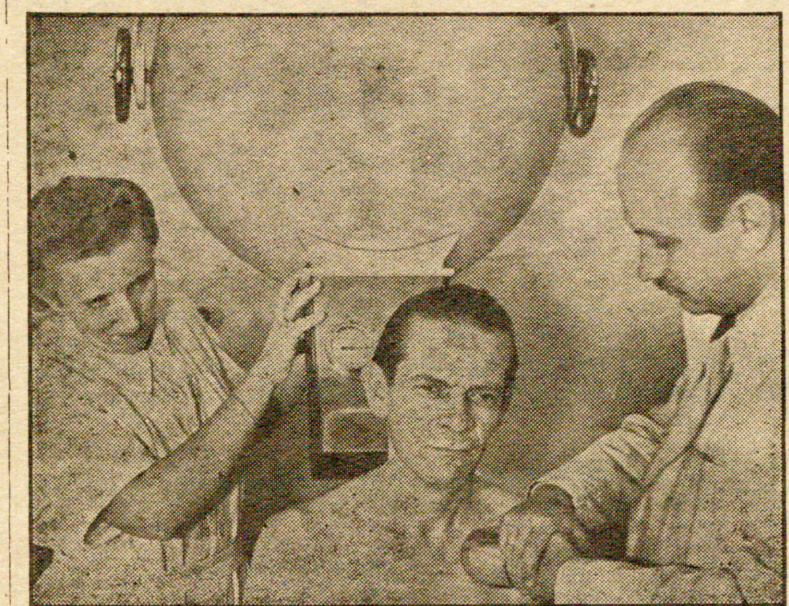

"Such meat is unfit for human consumption and is a dangerous source of infection and contagion," he said.

At present, Cilella said, there are no state laws "under which the scavenger butchers who purvey such meat can be prosecuted for their serious offenses against the health and welfare of the community."

Incorporated into the proposal was a suggestion by James L. Fox, superintendent of the state agriculture department division of foods and dairies. Fox urged

a law providing for statewide inspection of slaughterhouses outside Chicago and Peoria which have their own inspection facilities. The statute could be patterned after the federal meat act of 1906, he said.

Fox pointed out animals killed in about 225 slaughterhouses in the state are not inspected. Meat crossing the state border is federal inspected and that slaughtered by the boards of health, but animals killed elsewhere in the state escape inspection. He advocated the animals be tested before and after they are slaughtered.

ATOMS BATTLE DISEASE—Dr. Max Bindig of Munich, Germany, and his assistant, Hildegund Handke, demonstrate treatment of the lungs by the "atomic ball," making use of atomic radiation in the battle against diseases. Dr. Bindig's "Vibrato-Atomator" is reported a big step forward in atomic medicine.

Hens Keep Record
Your hens are good record keepers.
They show by the amount of yellow color in their bodies how many eggs they are producing, says Sam Riden, extension poultry specialist at the Illinois College of Agriculture.
If you read these records right, Riden points out, you can tell which of your hens are not earning their feed bill by producing eggs.
Here's how to read the signs: Yellow color leaves a hen's skin in the following order. After each part is the time needed to bleach that part completely after egg production starts.
Vent, 7-10 days; eye ring, 2 weeks; earlobe (if white), 3 weeks; beak, 6 weeks; front of legs, 18 weeks; heel of shanks, 20-24 weeks. Pigment leaves the back of the hocks and the top of the toes last.
For example, if your pullets have been in production for 12 weeks, all of the yellow color should be gone from the hen's skin except on the legs and even the legs should have lost some of their color.
Cull the birds that show lots of yellow on their bodies. Culling is a year-around job. When hens go out of production, remove them from your flock to keep your feed costs down and average egg production at a high level.

Wayfarers Elect New Officers
At a meeting recently held at the home of Mr. and Mrs. Henry Clark, the Wayfarers club elected the following officers: H. A. Mann, president; Dallas Webster, vice president; Edw. Brueser, Secretary; Henry Clark, treasurer. Trustees Edw. Ballenger, Walter Schoeneck, Berle Needham and Henry Koenig.

Ladies Auxiliary, Mrs. H. A. Mann, president; Mrs. Henry Clark, vice president; Mrs. Richard Johnston, secretary; Mrs. Walter Schoeneck, treasurer.

It was voted to send a donation to the USO Lounge, LaSalle St. station, and to the Illinois Masonic Orphans home, La Grange Park.

Breaks Hip While On Shopping Tour
Mrs. Selma Johnson, who lives with her husband, Julius, on Vine street, New Lenox, slipped on some vegetable which was on the floor of the A & I store on Chicago street, Joliet, while shopping last Wednesday.

She was removed by the police ambulance to Silver Cross hospital, where x-rays showed that her right hip had been broken. She underwent surgery last Saturday.

A Christmas party was held last Wednesday evening, December 10, for PTA families. It started off with a potluck dinner at 6:30 p.m. The school orchestra played various Christmas numbers, and Alan Mager played a saxophone solo. Three Christmas numbers were sung by mothers, accompanied at the piano by Mrs. Albert Krusemark.

Due to the absence of Mrs. Burton Breidert, president, Mrs. Wendell Morrison was in charge of the program. There was an exchange of gifts for children and adults, with Santa Claus acting as master of ceremonies.

Three films were shown during the course of the evening: "Christmas Night," "Christmas Rhapsody" and "Mickey Mouse Plays Santa Claus."

Serving on the committee were Mrs. Walter Grotewald, chairman, Mrs. Albert Krusemark, Mrs. Alfred Zechlin, Mrs. Robert Mitchell, Mrs. Stanley Lentz, Mrs. Wendell Morrison, Mrs. Harold Heisner, Mrs. Herbert Folkers, Mrs. Lester Christensen, Mrs. Lester Heisner and Mrs. Aaron Grief.

Mr. and Mrs. W. Johansen arrived Monday from their home in Copenhagen, Denmark to spend several months with their daughter, Mrs. H. W. Patterson and family. They made the trip on the liner Stockholm. Mr. Johansen is a general contractor in Denmark. Both he and his wife like this country greatly.

Mr. and Mrs. William Breidert celebrated their fourth wedding anniversary Sunday as dinner guests of Mr. and Mrs. Louis Rehberg at Monee. Mrs. Fred Hossbach was also a dinner guest. On Friday evening they all had dinner at Surma's at Homewood.

Mrs. Anna Pfaff entered Silver Cross hospital Sunday where she is a patient for observation.

The Auxiliary of the Bobzin-Swinford American Legion post met Thursday evening in the home of Mrs. William Seemann. Mrs. Herbert Bixler opened the meeting by reading "Yuletide."

Mrs. Arthur Melcher, Mrs. Frank Kovar and Mrs. Marwin Weitendorf and Mrs. Fred Klepper are new members.

All the members signed Christmas cards to be sent to district officers and out of town members. Gifts were exchanged and Mrs. Ralph Nieland received the surprise package. Home made cookies were packed for hospitalized veterans at Oak Forest and Orland Park.

Refreshments were served by Mrs. Seemann, Mrs. Delbert Semann and Mrs. Paul Lambrecht.

The Woman's club will meet at the home of the chairman, Mrs. Orval Schroeder this evening.

Burton Breidert underwent surgery last Wednesday in Silver Cross hospital.

Mrs. Charles Mark returned home Sunday from the hospital. John Warfield of Bethesda, Md. was the week end guest of Mr. and Mrs. Glenn Folkers.

Mrs. Herbert Folkers attended a meeting of the Council of the Girl Scouts in Joliet Monday afternoon. Mrs. Folkers is chairman of the membership nominating committee.

Mr. and Mrs. Edmund Ebert and family were dinner guests of Mr. and Mrs. Lester Barton at Elwood Sunday.

Mrs. Herbert Folkers accompanied by the Misses Janet Folkers, Janice Johnson, Helen Howell, Jean Lentz and Carol Peter-

son attended the concert Christmas Vespers given at JTHS Sunday afternoon.

Mr. and Mrs. Fred Peipenbrink and family spent Sunday afternoon with Mr. and Mrs. Garrett Woodman of Matteson.

Mr. and Mrs. Harry Miller and daughters Donna and Lorna Mrs. Katherine Heisner and Mr. and Mrs. Robert Bookwalter were guests of Mr. and Mrs. Ralph Heisner Saturday evening. The event was the triple birthday anniversaries of Mrs. Ralph Heisner and their two sons, Thomas, who was 6 years old on the 1st and Keith 4 years old on the 13th. Later refreshments were enjoyed.

Mr. and Mrs. Lloyd Heisner entertained at a turkey dinner in their home Monday. Guests were her father, Ben Bookwalter of Gardner, her brother Lloyd Bookwalter of Albuquerque, New Mexico, her uncle Richard Bookwalter of Buffalo, New York, also Robert Bookwalter and Mrs. Katherine Heisner.

Rev. and Mrs. Erich Bizer, Rev. and Mrs. Arnold Bizer of Arthur and Robert Bizer of Sycamore left Wednesday to attend the funeral of Mrs. Bizer's father, Herman Fruechte at Eitzen, Minn., who passed away Tuesday at the age of 88 years. The funeral was held Friday afternoon. The Bizer's returned home Saturday afternoon.

Callers at the home of Mr. and Mrs. Charles Hansen last Monday were Mrs. Willa Van Hoorebeck and Mrs. Charles Long of Marseilles, on Thursday Mr. and Mrs. Ronald Evans of Plainfield were guests.

Mr. and Mrs. Clarence Klepper and children and Mr. and Mrs. Fred Klepper were Sunday guests of Rev. and Mrs. Robert Klepper at Prospect Heights.

Mr. and Mrs. Leo Peterson and Mr. and Mrs. Cornelius Wieringa spent Friday evening with Mr. and Mrs. Clarence Klepper.

Mr. and Mrs. Orval Schroeder entertained their club at a Christmas party in their home Saturday evening. Cards were played and prizes awarded.

Mr. and Mrs. James Stevens entertained at a dinner party in their home Sunday evening. Guests were Dr. and Mrs. W. H. Cave, Mr. and Mrs. Herbert Folkers and Janet and Herbert

Jr., Mr. and Mrs. Leroy Mager and Mr. and Mrs. Robert Burns. Cards were the evening's pastime.

Mr. and Mrs. James Stevens spent a few days this past week in Fort Wayne and Indianapolis, Ind.

Mrs. Arthur Lambrecht who has been home for a month as a result of an attack of virus pneumonia, is still at home but improving nicely.

The Brownie and Girl Scouts of Frankfort had a family night at the Frankfort school Saturday, December 6. Brownie Troop 49 sang "Silent Night" and gave a little playlet, "Jingle Bells." A puppet show was given by Brownie Troop 95, while Intermediate Troop 93 gave a few dances to the tune of Turkey in the Straw and Hokey-Pokey.

Willa Schroeder, of Intermediate Troop 94, played "Winter Wonderland" on the piano. Jeanette Sienert played the Jolly Coppersmith and the Double Eagle march on the clarinet. Phyllis Stevens played and sang "Santa Claus is Coming to Town." Some fine tumbling acts were done by Willa Schroeder, Nancy Schweizer, Phyllis Stevens and Patsy Lackner. The troop sang "Jingle Bells," "Rudolph the Red Nosed Reindeer" and "I'm Dreaming of a White Christmas," with Phyllis at the piano.

Later some films were shown on the subject of girl scout camps. After the program, refreshments were served.

Mrs. LeRoy Hansen, neighborhood chairman, thanks all the leaders, co-leaders and committee members for all their help. Mr. and Mrs. Allen E. Schoenfeld, of Joliet, were guests. Mrs. Schoenfeld is the acting field director for the council. Mrs. Bert Larson, Publicity.

(Omitted from week of Dec. 11)

The Community Club will have their Christmas program at the Schmuhl school, on December 23rd. The program will be presented by the school children. Any visitors are welcome.

Carolyn "Kay" McAlfresh took part in the Musical Concert at the Joliet Township High school, Thursday evening, December 4. The program was broadcast over radio.

Levi Fuhrman met with an automobile accident Saturday evening, December 6th, but luckily suffered no bodily injury.

Robert McAlfresh and Nord Blaylock, the latter of Frankfort, had very good luck 'coon hunting' Sunday evening. Previously "Mac" had treed over 15 'coons, one of them the largest seen in this vicinity. One of his favorite 'coon dogs, answering to the name of "Sport" disappeared or was stolen, a few months ago, and "Mac" would be happy to pay a handsome reward for any information leading to its return. It was a black and tan 'coon dog.

Mike Halek's mother has re-

turned home after a three weeks visit with her daughter in Cicero.

Beg Your Pardon! Typographical error in stating that the Malloys celebrated their 50th Wedding anniversary last week. It should have read 5th. Everyone knows they are both too young looking and spry to have put up with 50 years of married life.

Erwin Uhrhammer met with an unfortunate accident last week while at work at the Argonne Laboratories. He suffered a broken wrist and will have to endure a cast for several weeks.

Kay McAlfresh entertained some of her girl friends at a pajama party Friday evening. Refreshments were served by candlelight.

Mr. and Mrs. Robert Berls are enjoying a prolonged visit from "Bobs" mother, Mrs. Katherine Berls of Wheaton. Many of his friends and neighbors have been making her visit a very enjoyable one.

"Hooker" Ritt's Christmas trees at the drive-in have been going great guns.

Robert Fredin and Albert Bettenhausen (who have the construction office adjoining the drive-in) bagged their limit of ducks at the McIntosh private estates last Friday, where they were guests.

The Christmas party will be held next Tuesday evening at the Schmuhl school. We understand Santa Claus has gifts for all the children.

Seems in this neck of the woods there is a good deal of friendly rivalry as to who can trap the most mink and muskrat, not to mention coon hunting.

Villages Sue To Stop 'Sludge Lagoon' Evil

(CNS) Nine villages south and west of Chicago filed suit last Wednesday in Circuit Court asking an injunction to restrain the Sanitary District from operating "sludge lagoons" along its drainage canal adjacent to the villages.

The villages include Summit, Willow Springs, Hodgkins, Brookfield, McCook, Bedford Park, Bridgeview, Justice and LaGrange. Also named as plaintiffs are the presidents of the vil-

lages and the DesPlaines Valley Improvement Association and the Garfield Ridge Civic League.

The suit claims that since 1938 the Sanitary District has constructed many "sludge lagoons" along the 30-mile Drainage Canal. The lagoons are large evaporation pits used to settle out and decompose the solid matter emptied into the canal. The suit claims that the canal drains off sewage equivalent to that of a human population of 7,600,000 persons, when industrial and animal drainage is considered.

The suit complains that the "sludge lagoons" emit "noxious, offensive, nauseous and noisome gases, odors and stenches" and

constitute a public and private nuisance. The danger to the health and general welfare of the surrounding communities has decreased property values and discouraged expansion, it states.

The villages claim that repeated complaints to the Sanitary District were met with promises of improvement, but that satisfactory action on the promises has not been taken. They further state that other means of eliminating solid matter from the canal flow could be used and the nuisance eliminated.

The suit specifically asks for an injunction restraining the Sanitary District from using its present number of "sludge lagoons" and from building any more or completion construction on those now being built.

The villages are represented jointly by the law firm of Kirkland, Martin, Green, Fleming and Ellis.

File Petition to Merge Ill. Public Service and Edison

A petition has been filed with the Illinois Commerce Commission asking approval of a plan to merge Public Service Company of Northern Illinois into the Commonwealth Edison Co.

Edison, which owns 99.8% of the capital stock of Public Service, last month announced that consideration was being given to the merger proposal as a corporate simplification measure. The merger plan involves no change in personnel or operation. Under the proposal the business in the Public Service company territory would be conducted by the "Public Service of Northern Illinois division."

Because the proposal involves a statutory merger, approval to put the plan into effect also will have to be obtained from the companies' stockholders.

Largest Yule Star

The earth's largest star will shine again this Christmas Eve at the head of Chicago's famed North Michigan Avenue. This Christmas Star is formed by 101 lighted windows of the Palmolive Building and is 14 stories from tip to tip. This is the twenty-second holiday season that the Palmolive Building has extended its Christmas greetings to Chicagoans with a giant lighted display. The display this year will feature the 14-story star on the south side in addition to a 23-story Christmas Cross on the north side where it may be seen from Chicago's outer drive. The cross extends 28 floors to a height of 276 feet and requires the lighting and darkening of approximately 700 specified windows. It has been used continuously for 22 years while the star is a relatively new idea incorporated two years ago in cooperation with the Christmas decoration plans of the North Michigan Avenue Association.

Tips on Touring

By Carol Lane
Women's Travel Authority

Even the National Safety Council, who thought they knew every trick in promoting traffic safety, were amazed by what women had accomplished last year!

The occasion was the selection of women who made the most outstanding contributions in this field for the Carol Lane Awards.

Here are some examples of the variety of activities women have engaged in to save lives along our highways.

Until last year, everybody but the Missouri mule could get a license in that state. Not now. Because a woman got mad when Massachusetts wouldn't let her drive a car. She aroused 17,000 Missouri women who barraged and buttonholed every legislator in the state until a sound driver license law was signed, sealed and delivered.

In Orlando, Florida, a woman organized a state-wide project to eliminate a major hazard on rural highways — jutting roadside mailboxes. Today there are 25 "turn-outs" or central rural mail box stations engineered in clover-leaves, where country folk can pick up mail safely — and enjoy visiting with each other besides.

One of the most amusing stunts was sparked by a woman in North Carolina who had placards placed over public mirrors which read: "Are You Looking At Vance County's Next Accident Victim?" Naturally advice on avoiding accidents was included, too.

In many communities, women's programs helped lower the accident rate by one-third. That's the kind of result that should inspire all of us to do our part!

God With Us

Lesson for December 21, 1952

WHAT does Christmas mean? It is all wrapped up in one of the words describing Jesus, one of the less familiar names: Emmanuel. (Or Immanuel; the Bible spells it both ways.) It means GOD WITH US.

The Christian religion is not the only religion that believes in God. Many authorities believe that without belief in some kind of god, there is no religion. But a man can wonder about God, or believe that there must be a god of some kind, all his life long, and be no better man for all that. Cruel, lying men have worshipped cruel, lying gods and they grew all the worse for it.

To Live Where We Live

However, some of the higher religions have had sublime ideas about God, indeed many ideas which a Christian will agree are true. The Romans understood there is a justice on high; their gods would see and reward the just. But few Romans ever loved their gods. The more lofty their ideas of God were, the less they loved and the more they were afraid. A holy god (they supposed) must be the enemy of all sinners. In many religions, not the Roman alone, there have been stories of gods who (like the Canadian police) would always "get their man." "Your sin will find you out" is a verse in the Old Testament which many another religion could have echoed.

In contrast to all this, the coming of Christ means that God is with us, not against us. He has come to live where we live, to be on our side.

The bare belief, "God is," brings little comfort. Mount Everest is, and so is the South Pole. But the mountain and the pole are cold and far away. Most men who seek them perish. Only the Christian religion knows of a God who came to earth and still comes to make his home in the hearts of men of good-will.

Spelling God Out

When we say "God is a person" we can be misunderstood, and we can quickly get into thought-tangles. But if we ask the question, If God were a human being, what sort of person would he be, we have not only asked a very important question, but we can understand the answer: it is Jesus. He is the translation of God into human language.

We needed that translation, too. Jesus was not born into a world of atheists; far from it. There were "gods" everywhere. There were little mean gods and little nasty gods, and they did no one any good. There were vast gods of wrath, and there were high serene gods who went their ways in the sky like great airplanes, casting fleet shadows on the farms beneath but not knowing nor caring who might live down there.

He Shall Save His People

Emmanuel means more than that God has visited his people. Your old aunt may come for a visit and stay for two weeks, and all that time never offer a word of complaint or criticism. She lets you do as you please, she gives the children candy and she helps your wife with the cooking and she knits you a muffler.

Some people think God is like that, a sort of handy deity around the house, a god who will hand out anything we care to ask for. "God with us," to such people, means that God is on our side no matter what we may do.

But that is a long way from the truth. For another name of Emmanuel is Jesus, and that means Saviour. We are not told that Jesus will save his people from hell, or from trouble; he will save his people from their sins. When God comes to visit us in Christ, it is not a visit of curiosity. It was no sentimental journey God took to Bethlehem. God is with us; but not to bolster up our self-conceit, not to back us up in anything and everything we may take a notion to do.

He is with us to do what we can never do by ourselves or for ourselves: namely to save us from ourselves. What the best of imaginary gods could never do, what the little gods (even if they had been real) could never do, the true God has done. "Could he have done it in heaven?" We do not know. What we do know is that our God had something to do for us on earth — and that is why Christ came to Bethlehem.

DO'S AND DONT'S OF FIRST SPOON FEEDINGS

By the time your baby is about three months old your doctor will probably tell you to start him on solid food. *But* your baby starts on — whether it's cereal or strained fruit — is up to your doctor. *How* your baby starts is very much up to you!

Mother's attitude can make first spoon feeding a pleasant new adventure or a battle of wits. Since baby's first reactions may influence his mealtime habits all through childhood, it's important to get off to a good start.

"It helps avoid worry if you remember that solid food is generally offered these days before there is acute nutritional need for it," says Dr. Otto A. Faust, Consulting Pediatrician to the Beech-Nut Packing Company.

Since milk, in early months, still supplies a baby's main food necessities, he can take his time getting used to solid foods, their new tastes and textures. The important thing, according to Dr. Faust, is for the baby to learn to like to eat.

These quick tips can help make first spoon feedings enjoyable:

Start slowly, a tiny taste on the tip of a small-sized spoon.

Thin the food so it's "soupy" if baby rejects it in its more solid form. Many babies gobble up thin foods like Strained Banana or Apple Sauce "as is."

Let baby decide whether he wants it before or after his bottle.

Expect him to be surprised at this (to him) funny new stuff.

Relax and enjoy watching him slowly learn how to handle it.

CARD OF THANKS

We wish to express our thanks to Rev. Lach for his comforting words, during our recent bereavement, and also to our many friends and relatives who so kindly donated their help and floral pieces.

MRS. FRED BRAASCH
and FAMILY

Those who attended the "Pleasures and Problems" of gift wrapping sponsored by the Orland Park Woman's club demonstrated on Friday afternoon in the Orland Park Methodist church, received a world of information in the art of making bows, flowers, stars, santas, wrapping gifts etc. Many door prizes were awarded. Coffee and cake were served after the demonstration.

Mrs. Ray Robson was surprised Sunday afternoon when her family stopped in with a planned dinner prepared and served by them in honor of her birthday.

Dick Anderson returned from the hospital last Wednesday. He is improving nicely.

Frank W. Sanders, Personnelman 3rd class, who is stationed at the U. S. Naval Base headquarters, Charleston, S. C. will be home December 19 for Christmas leave. Frank is the son of Rev. and Mrs. Paul T. Sanders of Palos Park.

Sgt. Richard Klotz, stationed at Pope Air Force Base at Fayetteville, N. C. is home for the Christmas holidays and on a 30 day furlough before being transferred to Germany. He will leave some time in January. Richard is the son of Mr. and Mrs. Henry Klotz.

Mrs. Harry Johnson, formerly of Chicago, now of Forest Estates, Orland, left last week for a two week vacation with her daughter in Chicago and with her son Edward Williams in Aurora. She will return home for Christmas.

CARD OF THANKS

I want to say most sincerely, thank you to all friends who were so thoughtful of me while in the hospital by sending beautiful cards and flowers.

FRANK SIZER

Carol Hamilton, of New Lenox, the four year old daughter of Mr. and Mrs. Donald Hamilton and grand daughter of Mr. and Mrs. William Shrank of Mokena, is a patient in Silver Cross for several weeks for observation.

A Christmas party for 115 children of the nursery and kindergarten and primary departments of St. John's church was held last Sunday afternoon following rehearsal. A film, "Christmas Around the World" was shown and refreshments were served.

Mr. and Mrs. Pete Homerding attended the housewarming at the home of his sister, Mr. and Mrs. Fred Deckow in Lockport Saturday night.

The Young People's league of the Methodist church will meet

at the church Saturday evening December 20 at 7:30 to go carolling. Members may bring friends.

The date of the league meeting of St. John's church has been changed from Dec. 18 to Dec. 26. At that time election of officers will be held and also a Christmas party. A 25c gift exchange suitable for boy or girl will be held also.

Charles Rinke has been home from his work for the past week because of illness.

Frank Sizer, who has been a patient in Silver Cross hospital for the past month following a severe heart attack, returned home Sunday. He is now allowed to sit up a short time each day and gradually is gaining strength. He may now have callers.

Milton Geuther is a surgical patient in Silver Cross hospital. Barbara Martie, daughter of Mr. and Mrs. Willard Martie, is a patient in Ingalls Memorial hospital in Harvey, suffering from a double infection in her left leg. Barbara is a sophomore at JTHS.

The Mokena Book Club met Friday evening, December 12 at 8:00 o'clock in the home of Mrs. Henry Hart. Mrs. Fred Lehran reviewed the book "Hidden Flower" for Mrs. Geuther who was scheduled for the program.

"Hidden Flower" by Pearl Buck is an interesting story of a child born of intermarriage of a Japanese girl of high cast and an American soldier. This is Pearl Buck's most recent book and one of her best.

HOMER

Lockport, Ill.
Telephone Lockport 1387M

The Christmas party and annual election of officers of the Missionary society of Homer church will be held Tuesday, December 30, instead of the usual day which falls on Christmas. In place of the customary gift exchange, the members will give money to the church kitchen furnishing fund. The meeting will be in the Mrs. Wrey White home. A committee composed of Mrs. W. J. Paddock, Mrs. H. V. Drewes and Mrs. H. Reed Burch will act as nominating committee.

Mrs. Florence Mitchell, nee Konow, of Lockport, but formerly of Homer, is recovering from a recent operation in Silver Cross hospital.

Mr. and Mrs. Leon Shepherd, who recently moved to a new home in Joliet, are the parents of a son born December 11 in Silver Cross hospital. He has been named Curtis Rodger.

Joyce Purdy has returned from a two weeks vacation trip to Nebraska where she visited friends. During his absence, Walter Purdy and family of Lockport stayed in his brother's home here.

The Mothers' club of Reed school held their regular monthly meeting last Wednesday evening in the school house. A special feature was the showing of educational films by the Illinois Bell Telephone company. The club has recently purchased shades for the school building.

The Hadley school Mothers' club recently sponsored the installation of a complete set of play-ground equipment on their school grounds.

Matt Fisch, Jr., has returned to his duties with the armed forces in the state of Washington after a furlough with his family.

Cards are being received from George Bump, Sr., who is spending the winter in Arizona. Mail may be sent to him at Phoenix, Ariz. General Delivery.

Mr. and Mrs. Henry Rodgers and Mrs. H. Reed Burch attended the installation ceremonies of the Bethel Lodge officers in Lockport last Wednesday evening when their respective daughters, Rita and Carol were among those installed.

Mrs. Clarence Wesenberg has returned from South Dakota where she was the guest of her sister.

Mr. and Mrs. Lewis Brubaker recently were called to southern Illinois by the death of her uncle.

Edward Purdy is expected home for a short furlough December 27, after which he will be sent to Cuba.

The Hi-X club was entertained in the home of Stuart and Sherman Reiter Sunday at 7 p.m.

The name of Larry White was unintentionally omitted from the list of church ushers last week in the account of the annual Homer church election.

A group of Chicago friends were entertained in the George Burcham home Sunday.

Paula Muehler of Mokena visited her cousins, Barbara and Kay Wies, Sunday.

Mr. and Mrs. Henry Rodgers attended the funeral of his cousin Frank Fowler, in Joliet last Friday.

Mrs. Myrtle Kirchner, teacher of Ross school, was ill and unable to conduct school last Friday.

Ralph Jungles is enjoying an eight day furlough at his home, after which he expects to be sent to Georgia.

Rev. and Mrs. Herschel Aseltine and son Teddy were dinner guests Sunday in the Harry Sproat home.

Mrs. Adella Sproat and daughter Lois, Mrs. Robert Sproat, Miss Bessie Sproat, Mrs. Ray Carlson, Mr. and Mrs. Willard A. Rowley

and Mrs. George Ott, attended the concert at the JTHS Sunday evening, sponsored by the Civic Music Association.

Mr. and Mrs. Robert Wheeler attended the Chicago Heights train club annual dinner dance held at Surma's restaurant, Saturday evening.

The young married people's Christmas party was held Tuesday evening in the home of Mrs. Hunter.

Thursday afternoon the Mission Circle will enjoy the Secret Pal party in the home of Mrs. James Hunter.

The Boys club will enjoy a Christmas party Saturday afternoon at 3 o'clock, in the church. There will be a fifty-cent gift exchange.

Mr. and Mrs. Clint Edmonson and two sons attended the WLS Barn dance Saturday night in the Eighth street theater.

Mrs. Thomas Carrigan of Milledgeville, Ia., and Mrs. Carl Hesselberg of Darlington, Wis., visited their sister, Mrs. Edward Smith and family, last Sunday, and Mr. Nick Lowenthal, who is making his home with Mrs. Smith, his

daughter. The Stitch and Chatter Club, which was being held at the home of Mrs. Glen McWhorter, has been discontinued for the remainder of the winter. The club was engaged in making Christmas presents which have all been completed. Prizes were awarded for the best work among the group of eighteen girls from the neighborhood. A Christmas party was held after the meeting.

The new Standard of the American Road

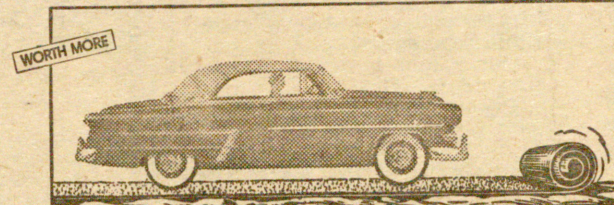

With 41 "Worth More" features, it's worth more when you buy it...worth more when you sell it!

Search no more: the car that exceeds your every driving need is making its bow at your Ford Dealer's!

Those of you who have owned Fords in recent years have a hint of the many ways in which this new 1953 Ford sets an entirely new standard for the American Road.

In this new Ford you'll find a new Miracle Ride that sets a new standard of smooth, quiet comfort on level highways or roughest byways. You'll find the easy handling and great visibility you need for today's fast-moving traffic... the "Go" to master today's long-distance driving.

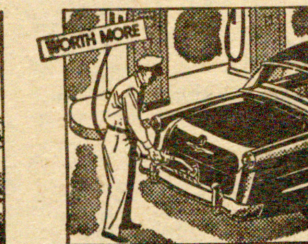

See this Ford... Value Check its 41 "Worth More" features... and Test Drive it. You'll see why this new standard-setting car is worth more when you buy it... worth more when you sell it.

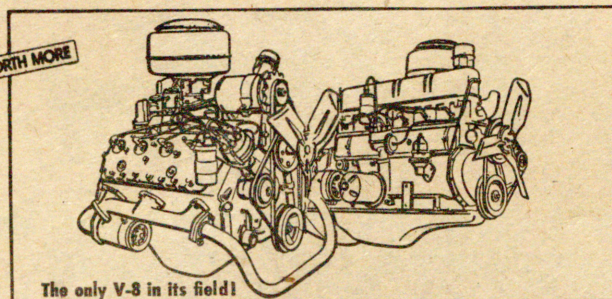

New Miracle Ride brings you riding comfort at its level best! Not just softer springs and new shock absorber action, but a smoothly coordinated system of ride control elements that adjust instantly and automatically to changing road conditions. It's a completely balanced ride... a ride that will give you an entirely new concept of driving comfort on level parkways or rough, rutted byways.

Full-Circle Visibility gives you an unobstructed view of the road... and all the scenery. I-REST tinted safety glass makes driving easier on your eyes.

Center-Fill Fueling prevents hose marks on the finish of your car. No gas spill on fenders. Short gas filler pipe gives you trunk space for an extra suitcase.

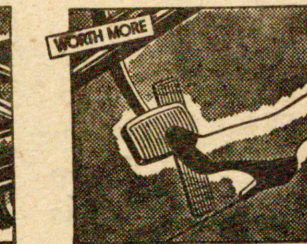

CHOICE OF V-8 OR SIX ENGINES—Ford's 110-h.p. high-compression Strato-Star V-8 has a partner for thrifty "Go" in the 101-h.p. low-friction, high-compression Mileage Maker Six—only modern Six in its field.

Shift to Fordomatic... and you'll never shift again. It's the finest, most versatile automatic drive ever. Ford also offers the smooth, thrifty Overdrive.

Key-Release Deck Lid opens automatically on counterbalancing hinges when you turn key. Note big trunk space! Ford's hood is counterbalanced, too!

Power-Pivot Pedals, suspended from above, operate more easily, eliminate dusty, drafty floor holes, make foot space of the entire floor space.

Automatic Power Pilot saves you money because it gives you high-compression "Go" with regular gas. An economy feature on both V-8 and Six.
